The supply of Frozen Semen is carried out subject to the following conditions:

1. The determination of the mare's condition for breeding is the purchaser's responsibility and required before shipment of frozen semen to ensure mare is a healthy reproductive mare for breeding with frozen semen.
2. There is a \$300 non-refundable Administration and Handling fee. All fees are required to be paid prior to semen shipment or supply.
3. For best results, the frozen semen should be shipped to a clinic that accepts and uses frozen semen.
4. It is the purchaser's responsibility to contact Balwyn Equestrian Services – Email – rdlester@lestergroup.com.au to request shipment of frozen semen and to give the shipping address. If the above named mare dies or becomes unfit to be bred before being served, a mare may be substituted in the current season.
5. If the frozen semen has been shipped and the client does not wish to substitute another mare, the semen may be returned at the purchaser's expense and a refund of the frozen semen purchase price will be given once the semen is resold. A veterinary certificate will be required.
6. Buyer specifically agrees and understands that no semen will be shipped until all fees have been paid.
7. There is no live foal guarantee.
8. Buyer is responsible for compliance with registry requirements for use of frozen semen and payment of any fees for the subsequent registration of foals conceived.
9. Once the shipment arrives it should be inspected immediately. Any claims regarding the integrity of the shipment must be filed with 24hrs of delivery.
10. Seller shall not be responsible for lost semen shipments or delays in delivery not within the control of the Seller such as missed flights, weather delays, failure of third party service, or acts of God.
11. The frozen semen is not insured during shipment. Insurance for the value of the semen can be purchased through FedEx. Buyer is responsible for insurance fees.
12. Balwyn Equestrian Services will facilitate the registration of one live foal for each dose of semen purchased. In the event that more than one mare is impregnated from one dose, Balwyn Equestrian Services will facilitate the registration of further foals, on the payment of AUD\$500 for each additional foal.
